

WARRANTY

for BeKa Heiz- und Kühlmatten GmbH products

- BEKA products are made from high-grade materials and are subject to strict controls on purchase, during manufacture and on delivery.
- Quality controls are performed on all BEKA products as part of the production process in accordance with operating standards.
- BeKa Heiz- und Kühlmatten GmbH offers a warranty on all its products, provided these have been professionally installed, of

15 years

from the risk transfer date.

Public liability insurance cover has been taken out with a German insurance company with a sum assured of

5 million euro

per insured event for personal injury and damage to property. This insurance cover also includes claims due to damage caused by defective products and services provided by our company.

Berlin, 1 April 2015

A handwritten signature in black ink that reads "Albrecht Bauke".

Albrecht Bauke, Managing Director
